**NEXTVIEW & HO CHI MINH STOCK EXCHANGE
ORGANIZES “VIETNAM STOCK FORECAST 2009”**

SINGAPORE, January 10, 2009: NextVIEW, the fastest growing pan Asian financial information data vendor and Ho Chi Minh Stock Exchange hosted the “Vietnam Stock Forecast 2009” seminar.

The seminar was held at Independence Palace, 108 Nguyen Du Street, Ho Chi Minh City and was sponsored by SaigonBank Berjaya Securities and Vietnam Investment Review as a media partner.

The seminar covered basic knowledge on market analysis, technical analysis and powerful investment techniques in volatile markets; experts also introduced and provided analysis on a list of potential stocks in the Vietnamese market. The key speaker of the seminar was Mr. Benny Lee, Chief Market Strategist of NextVIEW, together with other reputable invited guests such as Mr. Bui Van, Vice General Managing Director of VietnamNet Online Newspaper, Mr. Louise Nguyen, Managing Director of Vietnam Asset Management Fund and representatives from Saigonbank Berjaya Securities.

Due to an overwhelming positive response with over 600 registrants, NextVIEW will continue to host similar seminars per quarter in Vietnam.

Mr. Stephen Lai, NextVIEW CEO says “This is the first seminar in a long term investor education program which demonstrates NextVIEW’s and HOSE’s commitment in providing financial knowledge from basic to advanced as well as in bringing confidence to the Vietnamese investors before investing in the stock market. The investor education program, which is open free for public, will be conducted once every three months, either in Hanoi or Ho Chi Minh city. We hope this is a practical and useful education program during the current financial crisis”.
