

TULLETT PREBON INFORMATION ANNOUNCES MULTI-YEAR AGREEMENT WITH ASIAN DATA VENDOR, NEXTVIEW PTE. LTD

LONDON/SINGAPORE, May 2008 – Tullett Prebon Information, the leading global provider of financial market data, has signed a multi year agreement with NextVIEW Pte. Ltd (“NextVIEW”), Singapore’s leading provider of financial information vendor with a Pan-Asian footprint.

Tullett Prebon Information will supply NextVIEW with Money Market, Fixed Income and Interest Rate data including Spot and Forward FX, Non-deliverable Forwards, FX Options, Interest Rate Swaps and Government Bonds for a range of international markets including key Asian markets. This high-quality, independent OTC information will be made available to NextVIEW’s Financial Terminal subscribers.

NextVIEW’s customers consist of brokers, futures brokers, banks, listed companies, commodities brokers, and fund managers throughout Asia.

Tullett Prebon Information works with financial institutions and service providers including major global and domestic data vendors for the provision of independent OTC fixed income and derivative pricing. This distribution agreement with NextVIEW highlights Tullett Prebon Information’s on-going commitment to the Asia-Pacific financial markets and is the latest in a series of similar agreements concluded in India, China, Japan and Indonesia.

Frank Desmond, Head of Europe and Asia at Tullett Prebon Information, said: “We are very pleased to be working with NextVIEW and assisting them in providing high quality, independent financial information to a sophisticated institutional customer base. Increasing our footprint in the Asia-Pacific region is a major focus for Tullett Prebon’s information business and we hope to continue building on our recent successes in this area.”

Stephen Lai, CEO of NextVIEW, said: “As one of the fastest growing pan Asian financial information provider, the alliance with Tullett Prebon information allows us to provide a cost-effective financial terminal alternative to our subscribers who need high quality real-time foreign exchange and fixed income data. We look forward to growing together throughout Asia with partners like Tullett Prebon, by equipping our customer base with the best in financial data, networks and analytics. “
